

Let Your Love Flow key: **C**, Bellamy Brothers By :Larry E Williams

Intro (with riff [**R**]) **C** **F** **C** **F**

C There's a reason for the sunshiny sky,
C There's a reason why I'm feeling so high
Must be the **G7** season when that love light shines all **C** around us [**R**]

C So let that feeling grab you deep inside,
C And send you reeling where your love can't hide
And then go **G7** stealing through the moonlit night with your **C** lover

Just let your **F** love flow like a mountain stream,
And let your **C** love grow with the smallest of dreams
And let your **G7** love show and you'll know what I mean, it's the **C** season. [**R**]

Let your **F** love fly like a bird on the wind,
And let your **C** love bind you to all living things
And let your **G7** love shine and you'll know what I mean, that's the **C** reason

C There's a reason for the warm sweet nights,
C And there's a reason for the candle lights
Must be the **G7** season when those love lights shine all **C** around us [**R**]

C So let that wonder take you into space,
C And lay you under its loving embrace
Just feel the **G7** thunder as it warms your face you can't hold **C** back

(Sing from here twice),
Just let your **F** love flow like a mountain stream,
And let your **C** love grow with the smallest of dreams
And let your **G7** love show and you'll know what I mean, it's the **C** season. [**R**]

(second time fading)
Let your **F** love fly like a bird on the wind,
And let your **C** love bind you to all living things
And let your **G7** love shine and you'll know what I mean, that's the **C** reason
